

Summary

Hi everyone, I'm a B.Tech/BE student at Atharva College of Engineering (ACE), Mumbai, specializing in Information Technology. I'm passionate about technology and its potential to solve real-world problems. I'm proficient in programming languages like Python and Java, and I have experience in web development, data analysis, and machine learning. I'm also a team player and I'm always eager to learn new things. I'm excited to be here and I'm looking forward to connecting with you all. I am active Computer Society of India ACE member and GDG
